

COLLECTION 26

HEAVY DUTY & 24H

BY
UNITE SEATING

S6

The S6 is built for sheer strength, engineered as a super heavy-duty controller chair with an exceptional 200 kg load rating, a reinforced heavy-gauge mechanism, and an oversized 830 mm six-star steel base that delivers rock-solid stability in nonstop 24/7 environments. Designed for the most demanding control rooms, dispatch centres, surveillance hubs, and industrial workspaces, it pairs its extreme structural durability with ergonomic comfort for multi-shift use & long-shift support. Also available in Black Vinyl.

- 2 lever super heavy duty synchronised mechanism with inbuilt seat slide - providing fully ergonomic support for multiple types of users
- Adjustable seat and back for optimal posture during 24/7 operations.
- 100mm travel seat slider range for adaptable leg support
- Standard with an 830mm diameter 6-star aluminum base
